Mulberry River Cleanup

Coordinated by the ***Mulberry River Society***

and hosted by Turner Bend Outfitters

www.mulberryriversociety.org

facebook: Mulberry River Society

Let's gather again with familiar faces and many new ones on the creeks, adjacent roads, banks and waters of the Mulberry River for the annual Spring Mulberry River Cleanup. This year Brad Wimberly will be supported by the Mulberry River Society, or MRS, a new watershed protection organization. The new 501c organization seeks through practices of Conservation, Appreciation, Recreation, Education and Stewardship to increase public awareness of the Mulberry River in Northwest Arkansas. Volunteer and participate in picking up trash, eating great food, listening to live music, perhaps winning a door prize and learn more about MRS.
